# **Veteran & Vintage (Pre '31) Rally**

## **Poona, Qld**

Friday 20th August - Sunday 22nd August 2021

Two Queensland members of the Antique Motorcycle Club of Australia are running a Veteran and Vintage motorcycle rally to be held at Poona in Queensland. The rally will be held under the auspices of the Antique Motorcycle Club of Australia Inc. Other motorcycle club members will be eligible to attend but must adhere to the Pre-1931 age requirement for their motorcycle.

Poona is a little hideaway village about two and a half hours north of Brisbane. It is nestled in the State forest overlooking the world heritage listed Fraser Island and the pristine waters of the Great Sandy Strait. The roads around Poona are quiet and well maintained and particularly suitable for veteran and vintage motorcycles. The Rally will be based at the Poona Palms Caravan Park. Catering will be provided by the Poona Community Progress Association who have excellent facilities just across the road from the Caravan Park.

The Poona Palms Caravan Park has self-contained cabins and powered and unpowered sites. Phone Poona Palms on (07) 4129 8167 to book accommodation.

**Please register by Saturday 14th August.**

Numbers will be limited for the rally because of the catering requirements (there are no cafes or food outlets in Poona), so we would ask anyone attending to register their interest by sending their Name, Motorcycle details, Mobile# and Email address to:
